

STUDENT CARD CERTIFICATE

The certificate bearing a signature and the stamp of the school is effective for one month from its issuance.

Name of the student	_____
Date of birth	_____ . _____ . _____
Term or academic year	_____ . _____ . 20____ - _____ . _____ . 20_____
Studies started on	_____ . _____ . 20_____
Estimated date of end of studies	_____ . _____ . 20_____

Sale of the new student card begins in August. Buy a validation sticker for the card. An autumn (fall) term sticker is effective to the end of January of the following year, and an academic year sticker to the end of September of the following year. The card is non-transferable and certification of identity must be produced when the card is bought or renewed, as must this student card certificate together with confirmation from the educational institution. Bring a passport photograph when applying for the card the first time.

The student discount is granted to students

- who are studying in Finland or Finnish students who study abroad and receive student financial aid from The Social Insurance Institution of Finland (KELA)
- who are studying full-time
- whose studies last continuously for 8 months
- who receive no daily allowance or salary for their studies
- who have no salary earnings from public office or from employment, or entrepreneur's income

The student discount does not cover

- evening-school or distance or multiform students if their studies in class amount to less than 60 per cent of their study time
- students in further education at universities or colleges, or graduates
- students who study abroad and receive no student financial aid from KELA
- persons in receipt of training under labour policy schemes
- private students
- persons completing their compulsory education
- persons receiving apprenticeship training
- persons in special education who receive allowances other than study allowances from the national social security institution KELA or from an insurance company, not including students in special vocational schools who are entitled to the discount.

You get the discount on bus tickets bought in advance at Matkahuolto if you have a valid membership card from a student organisation on which the Matkahuolto logo is imprinted, or if you have the Matkahuolto student card. This certificate is not valid as a discount card.

A valid card must always be produced at ticket inspections. If a student card is used without the above conditions being met, the carrier's representative is entitled to take possession of the card.

Persons under the age of 17 are eligible for a junior discount.
